### *Appetite and digestion restored*

The great problem for those who are "run down" or suffering from indigestion is first to stimulate the appetite, and at the same time make it possible to digest the increased food that is eaten. Fleischmann's Yeast has this remarkable effect on the digestive system. It enables you to eat more, and to get more benefit from the food you eat.

### *Laxatives made unnecessary*

Fleischmann's Yeast does for you naturally and permanently what drugs at their best do only artificially and for a short time. In hospitals, even chronic cases respond to it and normal functions are restored in from 3 days to 5 weeks. People all over the country are telling how Fleischmann's Yeast has helped them.

### *Skin and complexion cleared*

A poor complexion and even actual skin disorders are usually signs that your vitality is being lowered. Fleischmann's Yeast by increasing the number of white corpuscles in the blood acts as a powerful agent in clearing the skin of boils and pimples.
